It is further understood and agreed:

1. The manufacturer has reserved the right to change the list price of any new boats without notice and in the event that the list price of the new boat ordered hereunder is so changed, the cash delivered price, which is based on list price effective on the day of delivery, will govern this transaction. But if such cash delivered price is increased the purchaser may, if dissatisfied with such increased price, cancel this order, in which event if a used boat has been traded in as part of the consideration herein, such used boat shall be returned to the purchaser upon a payment of reasonable charge for storage and repairs (if any) of, if the used boat has been previously sold by the dealer, the amount received therefore, less a selling commission of 15% and any expense incurred in storing, insuring, conditioning or advertising said boat for sale, shall be returned to the purchaser.
2. If the used boat is not to be delivered to the dealer until the delivery of the new boat, the used boat shall be reappraised at the time and such reappraisal value shall determine the allowance made for such used boat. The purchaser agrees to deliver the original bill of sale and the title to any used boat traded herein along with the delivery of such boat and the purchaser warrants such used boat to be his property free and clear of all liens and encumbrances except as otherwise noted herein.
3. Upon the failure or refusal of the purchaser to complete said purchase for any reason other than cancellation on account of increase in price, the cash deposit may be retained as liquidated damages, and in the event a used boat has been taken in trade, the purchaser hereby authorizes dealer to sell said boat, and the dealer shall be entitled to reimburse himself out of the proceeds of such sale, for the expenses specified in paragraph 1 above and also for his expenses and losses incurred or suffered as the result of purchaser's failure to complete said purchase.
4. The manufacturer has the right to make any changes in the model or design of any accessories and part of any new boat at any time without creating any obligation on the part of either the Dealer or the Manufacturer, to make corresponding changes in the boat covered by this order either before or subsequent to the delivery of such boat to the purchaser.
5. Dealer shall not be liable for delays caused by the manufacturer, accidents, strikes, fires, or other causes beyond the control of the dealer.
6. The price of the boat quoted herein does not include any tax or taxes imposed by a governmental authority prior to or at the time of delivery of such boat unless expressly so stated, but the purchaser assumes and agrees to pay, unless prohibited by law, any taxes, except income taxes, imposed on or incidental to the transaction herein, regardless of the person having the primary tax liability.
7. Dealer makes no warranties, expressed or implied, except as set forth on the face of the contract or attachments here-to.
8. In the event that the transaction referred to in this order is not a cash transaction, the purchaser herein, before or at the time of delivery of the boat ordered, and in accordance with the terms and conditions of payment indicated on the front of this order, will execute a chattel mortgage, conditional sales contract, financing statement, or such form of security agreement as may be indicated on the front of this order.
9. In case the boat covered by this order is a used boat, no warranty or representation is made as to the extent such boat has been used, regardless of the hours shown on the hour meter nor to the correctness of the year, horsepower, etc.
10. In case of a trade-in, the owner of the trade in agrees to assume full responsibility for any major engine defects that are present at the time of trade-in. The correction of the defects is to be handled by the dealer and the actual costs of the same paid by the previous owner.
